Hi Maryam, Greg, CY, and Dot,

I want to thank you four for making my trip to Ag Park and the community meeting an eye-opening and educational experience, and for your hospitality while I was down in Riverside. I now understand much better both the layout of the site and the community dynamics. I was particularly impressed with the care with which you addressed the community.

After I dig through my notes, I'll reach out to Maryam with a couple of minor follow-up items.

Best regards,

Sara
